

Office of the Emperor of Adammia

Decree LXIX

UPON OUR IMPERIAL MAJESTY'S SOVEREIGN COMMAND,

NOTING that the United Kingdom is about to leave the European Union; FURTHER, that leaving the European Union runs contrary to the Empire of Adammia's national interest; and that the majority of Adammic citizens identify as being European,

BE IT DECREED as follows:

The Empire of Adammia, in its entirety, shall continue to be considered part of the European Union. It is recognised that the Empire of Adammia has been an independent sovereign state since before the Parliament of the United Kingdom passed the European Union (Withdrawal Agreement) Act 2020, and indeed since before the 2016 United Kingdom referendum on European Union membership, which We note was largely based around misinformation. It is therefore declared that the European Union (Withdrawal Agreement) Act 2020 has no effect over the Empire of Adammia. We declare that it is an affront to Adammic sovereignty for the United Kingdom to attempt to force Adammia out of the European Union against its wishes.

We command Our Imperial Government to treat all Adammic provinces, colonies and territories as territory which is part of the European Union; to treat all Adammic citizens as being citizens of the European Union; to display the flag of the European Union alongside the flag of Adammia on all border signs; and, for the purposes of Article III of the Supreme Directive, the European Union shall be considered to be of higher precedence than the United Kingdom of Great Britain and Northern Ireland for the purposes of macronational privilege. We declare that the Empire of Adammia shall maintain an honorary association with the European Union, until such a time that any member state of the European Union may recognise Adammia as sovereign, at such time We command Our Imperial Government to begin the process of applying for the Empire of Adammia to become a full member state of the European Union.

This, the sixty-ninth Imperial Decree of Our Imperial Majesty Adam the First, Emperor of Adammia, Duke of Deira, Earl of Carew, Count of Penmine and Spildcastle, Lord Chancellor, Grand Admiral et cetera, is decreed at Varwall in the Province of Serkatia, on this the thirty-first day of January of the two-thousand and twentieth year of the Common Era and the eighth year of Our reign, and is signed into immediate effect.

Adamus Primus Imperator
