ACT OF PARLIAMENT – Government Ministries Act 2019

*Lord Charles Michael*

**H.I.M. Emperor Adam I (LMP)**

*Deputy Speaker*

Order,

We move now to the bill tabled in the name of Lord Michael, [Government Ministries Act 2019](#).

There has been one amendment tabled, Amendment A, in the name of Lord Saunders, as follows: "at the end of Section 1 Subsection a), delete "." and insert ", and the Ministry of Citizenship & Information shall be renamed to the Ministry of Patriotism"."

Can I please call Lord Charles Michael to open the debate in favour of the bill and then Lord Juliano Saunders to speak in favour of his amendment. Debate will then be open to all Members for 24 hours. We will then vote tomorrow on the amendment and will vote on Sunday on the bill as a whole.

**Lord Charles Michael (LMP)**

*Prime Minister*

Citizens of the House,

This Bill may seem minor; a readjustment of government, a quibble of bureaucracy. It is much more than that however. Under the Storm government, Adammia's war capabilities were merged with the controlling of citizenship and information, a decision more reminiscent of a dictatorship than a democracy.

Our argument is simple; no one person should hold that much power in a government. Even our Emperor is held to a greater standard of account and responsibility. Decisions of citizenship, of information, should not be placed in the context of war. Inevitably one will corrupt the other and seems a slide into creating a military junta within Adammia.

This Bill is for the people's safety. I encourage the house to put our citizens first.

**H.I.M. Emperor Adam I (LMP)**

*Deputy Speaker*

Thank you, I now call Lord Juliano Saunders to move Amendment A.

**Lord Colonel Juliano Saunders (STM)**

My motion is to change the name of the Ministry of Information and Citizenship to Ministry of Patriotism. And rather than give you full political speech in role playing mode, im going to be 100% straightforward with you. Adammia is great, but it can only remain so with active participation of its citizens, yes we could leave it as it is and make everything boring and grey... but this isn't a macronation, we are reliant on keeping Adammia vibrant and interesting. I reach

across the political isle, and with pure sincerity I ask for you to vote for this amendment. Let's work together to make Adammia fun. Try-hard micronationalists would hate to hear me say this, but a micronation must be fun, otherwise it will die, and I do fear this is going to happen if we don't take action.

I urge all honourable members of this house to take my motion seriously, lets start working together again.

**Lady Anna Worthington (STM)**

*Leader of the Opposition*

'No one person should hold that much power in a government' is a lovely quote, Mr Deputy Speaker, given it clearly undermines your powers as Emperor. Almost all encompassing veto powers and a role in every ministry except the neglected Ministry of Memes is clearly much more power than being a minister of two areas. The only explanation for his ludicrous claims is that the Prime Minister is living in an alternate reality.

Why do the Lib Mods have such a problem with patriotism? Don't they love this micronation and all the people in it? I was proud to serve Adammia as its first Minister of Patriotism, using my powers to work towards a greater sense of pride and identity, and this motion seeks to spit on that.

**Lord Colonel Juliano Saunders (STM)**

Let's not generalize who the Liberal Moderates are, there are good people in there that likely agree with us in many things. We all want the best for Adammia, I invite them to understand our view in certain issues and we shall try in return.

**Lord Colonel Asher Bond (STM)**

I second [Lord Saunders]'s amendment. The name Ministry of Patriotism inspires something within people that Adammia would surely be lacking if we allow it to be removed.

**Lord Charles Michael (LMP)**

*Prime Minister*

Due to the respect I hold for the love the honourable member holds for Adammia, I support this amendment.

**Lord Oscar Gilmour (LMP)**

*Minister of National Development*

I too must support this amendment. Despite our disagreements, the honourable member has convinced me with his silver tongue. The Ministry of Patriotism is a fine name, and I urge all members present to vote in favour of the amendment.
