**H.I.M. Emperor Adam I (LMP)**

*Deputy Speaker*

Order,

I am pleased to lay before the House Imperial Decree LXXI, issued on the 1st of August.

This deals with diplomacy. It extends recognition to a number of states, primarily GUM members, and withdraws recognition from states that are either defunct or have become disgraced.

ACT OF PARLIAMENT – **Transgender and Non-Binary Recognition Act 2020**

*His Imperial Majesty the Emperor*

**H.I.M. Emperor Adam I (LMP)**

*Deputy Speaker*

Order,

We come now to the Transgender and Non-Binary Recognition Act, which is tabled in my name. Please note that the following is in my capacity as the author of the bill and not in my capacity as Deputy Speaker:

This bill guarantees the right to change one's name or gender at any time in writing to the MoCI. It creates in law pronouns, styles and titles for non-binary citizens - that is to say, anybody who does not identify as male or female. As part of this, an amendment to the Supreme Directive is required. The bill sets up a referendum on this amendment on the dates of the next general election.

The floor is open for 24 hours before the division tomorrow afternoon.

**H.G. Lord Sam Maude (RGA)**

*Speaker of the House*

Adammia is a haven for the LGBT+ community.

*Lord Charles Michael*

#### **H.I.M. Emperor Adam I (LMP)**

*Deputy Speaker*

Order, we come now to the Police Constable Elections Act tabled in the name of the Prime Minister. Can Lord Charles Michael please introduce the bill and the floor will then be open for debate for 24 hours.

#### **Lord Charles Michael (LMP)**

*Prime Minister*

Citizens, I bring to you a bill that demonstrates this government has both the interests of our nation close to our heart as well as the wisdom to listen to the opposition.

With all that's going on in the world, I did not want to be responsible for indicating a support for more authoritarian methods of law enforcement. Ultimately we are a micronation, and can't hope to influence the world. That doesn't mean we can't do our bit.

Our justice must be of the people. Our judicial system's long arm must be not only trusted, but held to account by the people. This bill will ensure that, should the need arise to enforce our laws, our citizens will feel safe under the responsibility of constables they themselves have chosen.

#### **H.I.M. Emperor Adam I (LMP)**

*Deputy Speaker*

Hahu.
